# HYDRAULIC TAIL SERIES - PERIMETER FRAME (PL/PH-HT)

Felling's Hydraulic Tail Perimeter Frame trailers are ideal for those in the Construction, Implement, and Rental industries. This trailer gives the user the flexibility to transport multiple pieces of small equipment or one to two large pieces. Felling's design also provides ease in the loading of low clearance machines like rollers, scissor lifts, and aerial lifts, with a six-degree break-over at the end of the main deck. Loading your equipment from an elevated level or a loading dock is a breeze with Felling's Hydraulic Tail Perimeter Frame models. The hydraulic tail with 4' fold under approach plate is standard with star plate and grouser bars to provide additional traction while loading / unloading.

# FEATURES / OPTIONS (shown below)

- 1.) Optional industrial winch with winch lead roller and optional wireless remote control operation
- 2.) Deck - engineered, cambered, fabricated main beams, 8" crossmembers on 12" centers

# The **FELLING** Style

## Quality - Craftsmanship - Pride

*Felling Trailers is a family owned and operated Full Line Trailer Manufacturer located in Central Minnesota. Started in 1974 by Merle J. and Kathy Felling, Felling's daughters Brenda Jennissen and Bonnie Radjenovich now own and operate the company with their spouses Patrick Jennissen and Paul Radjenovich. Felling Trailers, Inc. has grown from a small shop to a factory and office complex that today covers over 325,000 square feet. Felling Trailers currently manufactures over 5,000 trailers a year ranging from a 3,000 lb utility trailer to a 120,000 lb hydraulic gooseneck trailer, and its standard trailer line includes over 240 models. Felling's pride and differentiation is its customized trailer division. Its engineers utilize the latest Industry-leading design techniques, and its experienced metal craftspeople use cutting-edge technology to turn its customers' conceptual trailer needs into a tangible product. Felling Trailers continually researches and implements new technologies to reduce lead-time and increase production in the manufacturing plant. Felling has been providing innovative trailer solutions to the transportation industry for over 40 years. With over 100 years combined industry sales experience, we have the answers to your specialized trailer needs. Felling Trailers' current capabilities allow them to provide a high-quality product that is distributed across North America and internationally. Felling Trailers, Inc. is an ISO 9001 Certified Company, WBENC-Certified WBE, and EOE.*
