

THE MANEUVERING PRO

Broce Broom

250 *series*

The 250 series broom is a smaller, more agile sweeper for paving & street clean-up.

Customers have also found it useful for clearing debris from pedestrian areas like hiking trails, bike paths, and golf cart paths. Its hydraulic tow hitch makes it easy to transport, enhancing its versatility.

PRODUCT FEATURES

- ✓ Water System
- ✓ Hydraulic Tow Hitch
- ✓ Heavy-Duty Single Direct Drive Motor for Brush Drive
- ✓ Hydraulic Joy Stick Control with adj. down pressure & float position
- ✓ Electric Over Hydraulic Brush Lock Helps: Prevent settling of brush
Eliminate bouncing brush
Reduce brush wear
